

Dear Sir/Madam,

The IMC Chamber of Commerce and Industry's Agriculture and Food Processing Committee is organising an **IMC Agriculture Conclave** on **"Sustainability & Climate Tech for Atmanirbharta"**.

The details of the Conclave are as below:

Day and Date: Friday, May 15, 2026

Time: 10:00 a.m. to 4:00 p.m.

Venue: Walchand Hirachand Hall, IMC Building, Churchgate, Mumbai.

Shri Jaykumar Rawal, Hon'ble Minister of Marketing and Protocol have been invited to grace the inaugural session as Chief Guest.

The conclave is envisaged as a premier platform bringing together key stakeholders across the agricultural value chain, including policymakers, industry leaders, agri-tech innovators, startups, research institutions, and farmer representatives. The deliberations will focus on sustainable agricultural practices, climate-resilient technologies, and pathways to strengthen self-reliance in the sector, with emphasis on actionable solutions, innovation, and collaboration.

Who should attend?

This conclave will be particularly relevant for agri-business companies, input providers, exporters, startups in Agri and climate tech, financial institutions, sustainability professionals, policymakers, and organizations working closely with the farming ecosystem. Senior management, strategy teams, and professionals involved in agriculture, rural development, and allied sectors who will benefit from these valuable discussions.

Why to attend?

The event offers a platform to gain insights into emerging trends in sustainable agriculture, climate resilience, and technology adoption. Participants will have the opportunity to hear from experts on policy developments, financing avenues, and scalable innovations that are shaping the future of Indian agriculture. It will also serve as a valuable networking forum to connect with key stakeholders and explore partnerships that can drive long-term impact.

We encourage all members and interested stakeholders to participate in this important initiative and contribute to meaningful dialogue for a more resilient and self-reliant agricultural sector.

Kindly note there is **NO PARTICIPATION FEE** however, prior registration is mandatory.

To attend, register on: <https://www.imcnet.org/events-2748>
