

June 18, 2018

Dear Sir/Madam,

**Invitation to Participate**  
**The Outreach Programme on E-Assessment with Principal Commissioner of Income Tax 3,**  
**Mumbai, on Friday, June 22, 2018 at 5.00 pm.**

Finance Minister Arun Jaitley, in his budget speech earlier this month, had announced that the electronic assessment of tax returns would be launched in the country, which would "almost eliminate person-to-person contact, leading to greater efficiency and transparency".

As part of the government's ambitious plan to usher in a countrywide paperless system of interface between the taxman and the assessee, Central Board of Direct Taxes (CBDT) has notified a new centralised communication scheme for serving e-notices. The notification of the scheme is a step forward to roll out the e-assessment project pan-India

The new regime of e-communication is expected to be voluntary and taxpayers can take a call on whether to conduct their dealings over the e-system or through the existing procedure of manual submission of documents by visiting the tax office.

With a view to provide better understanding of the e-assessment scheme and how would one go about it, IMC has organized an **Outreach Programme on "E-Assessment"** with the **Principal Commissioner of Income Tax 3, Mumbai** and with **Additional Commissioner of Income Tax on Friday, June 22, 2018** who will explain the scheme in detail and will also respond to the queries.

**Date : Friday, June 22, 2018**

**Time : 5.00 pm to 6.00 pm**

**Venue : Babubhai Chinai Committee Room, 2<sup>nd</sup> Floor, IMC**

Looking forward to your joining in at this meeting.

Please send your confirmation to Mr. Upendra Shah at [upendra@imcnet.org](mailto:upendra@imcnet.org) as soon as possible.

With Regards,

**Arvind Pradhan**  
Director General, IMC
