

ANGELS AND DEMONS – The Startup Ecosystem

A Seminar on Decoding Angel Tax

In start-ups in your personal capacity can attract an “Angel Investor Tax.” As the Indian Government attempts to rally entrepreneurship, the tax element is critical for any potential investor. Seasoned investors recognize the risk-reward ratio for different asset classes, but are the demons in the angel tax regulations gone with the latest circulars?

Join us for a special seminar on **Decoding Angel Tax** focused around the following areas:

1. **Assessing the value** of a start-up/new business
2. **Legal Frameworks** and **financial instruments** in use today
3. An **analysis** on the **reformed tax regulations** for such start-up investments

The seminar shall include domain experts and taxation professionals in candid conversations followed by a panel discussion and Q&A with the entire seminar revolving around the theme mentioned above.

This comes at a nominal fees of INR 500 and remember there are limited seats available which will be allotted on first come first serve basis. To register and make the payment visit us at <https://www.imcnet.org/events-553>
