

**IMC Ladies' Wing - Aamchi Mumbai, Safe Mumbai Committee
invites you for a webinar -**

HOW SAFE ARE YOU AND YOUR KIDS ONLINE?

With the internet gaining popularity, an exponential rise in crimes against women and children have been witnessed. Sensitisation of women and children is, therefore, the need of the hour on the following -

1. Protecting children from playing dangerous online games, cyberbullies, phishing scammers, watching obscene or age-inappropriate content and illegal downloads.
2. Making women vigilant about crimes like stalking, identity theft, online fraud, morphed photographs, revenge porn etc.
3. Awareness on online shopping scams, fraudulent purchases
4. Vigilance towards digital banking frauds

**The webinar has been specially designed for above 18 adults only.
Join us to build a strong force against cyber-crimes and digitally
empower women and children.**

**In association with Responsible Netism, the only non-profit promoting
cyber- wellness in the state.**
