

Precision, Prediction, Personalization:

The AI-Robotics Revolution in Healthcare

Join us for an insightful session with

Dr. Vaibhav Bagaria

Director of Orthopaedics, Reliance Foundation Hospital

Discover how healthcare is evolving from experience-based decisions to data-driven precision, where robotics enhances surgical accuracy and AI enables predictive, personalized care — together transforming medicine from reactive treatment to proactive, preventive healthcare, where the future is not about machines replacing doctors but about intelligent augmentation elevating human capability.

Wednesday, 1st April, 2026

3:00 PM (Followed by high tea)

Convention Center, 1st floor, Kapole Nivas
HN Reliance Foundation Hospital

Step into the future where innovation and human expertise work hand in hand to transform healthcare.

Organised by Wellness Committee
