KADAMBARI

(With English Subtitles)

Kadambari is a poignant and evocative biographical film inspired by the deeply nuanced relationship between **Rabindranath Tagore** and his sister-in-law, **Kadambari Devi**, who was his close companion and muse for his early work.

Blending elements of myth and reality, the narrative unfolds as a **sensitive and introspective drama**, brought to life through compelling performances by Konkona Sen Sharma and Parambrata Chatterjee in the lead roles.

Ms. Sathya Saran, renowned editor and author, will share anecdotes on the film and insights into the life of Rabindranath Tagore.
