

January 11, 2018

Dear Sir/Madam,

Round Table with MMRDA on Tues 16th January 2018 at 3.00 pm

We are pleased to inform that **MMRDA** has proposed **Multimodal Corridor (MC)** between Virar (Mumbai) and Alibaug via JNPT which is 126 km long, and will be built at a cost of Rs.10,000 crores (Phase I from Navghar to Chirner near JNPT), and stretch from Virar/Navghar to Alibaug, running through Panvel, JNPT and Chirner.

Considering the fact that significant container shipping traffic moves on this same route to/from the JNPT and between the CFSs, IMC through Shipping and Logistics Committee (SLC) would like to facilitate interaction with key officials from MMRDA, JNPT, CIDCO, NHA and DFC.

In this connection, we are pleased to invite you to a **Round Table with MMRDA on Tuesday 16th January 2018 at 3.00 pm at the Babubhai Chinai Committee Room (2nd Floor), IMC Building.**

Mr. UPS Madan, MMRDA Commissioner, **Mr. Neeraj Bansal**, Deputy Chairman, JNPT have confirmed their participation at the Round Table.

MMRDA's Proposed Multimodal Corridor:

The proposed MC also needs to take into consideration the huge container truck traffic plying between the Port, CFSs, rail head, local destinations and of course upcountry. With proper planning of the MC to accommodate the container traffic, it would greatly alleviate the present-day problems of long queues and consequent problems arising whenever there is congestion at JNPT.

Please also do send in advance any points or data you may have, which will help improve our focus and content. Interested members may send their registration to **Ms. Khyati Naravane, Joint Director** on Khyati.naravane@imcnet.org or call on **Tel : 71226728** at the earliest.

We look forward to your valued confirmation at the earliest.

With thanks and regards,

Arvind Pradhan
Director General
IMC Chamber of Commerce and Industry
