11<sup>th</sup> Interactive Session on Dispute Resolution Process through Mediation  
**Pre Litigation Mediation - A Choice or the Rule?**

*Dear Sir / Madam,*

As part of IMC's Mediation & Conciliation Committee's yearly series of "Interactive Sessions focused on Dispute Resolution Process," to introduce different aspects of Mediation, we are pleased to inform you that the **11<sup>th</sup> Session** in this series of Interactive dialogue will be on "**PRE-LITIGATION MEDIATION - A CHOICE OR THE RULE?**" The session is being organized as per following details:-

**Date:** Wednesday, 06<sup>th</sup> June 2018  
**Time:** 05.15 p.m. to 07.30 p.m.  
**Venue:** Library Lounge, 2<sup>nd</sup> floor, IMC

The above interactive session will be conducted by Ms. Mukta Mahajani, a lawyer and author.

The establishment of pre litigation mediation processes will reduce the existing burden on courts. It will help resolve matters speedily and will also help mitigate damage to each of the parties who go through their own difficulties. The aggrieved face years of personal loss and a long wait for relief. Unscrupulous people come into their lives making promises that litigation will resolve their woes but it will not. False claims may damage relations and reputations forever. Pre litigation mediation will go a long way in providing an alternative with early relief.

The purpose of this session is to create a platform for interaction amongst several stakeholders in the field of mediation so as to create a better and wider awareness of the benefits of opting for collaborative processes for resolving disputes. This session will be greatly helpful to professionals, contractors, businesses and people interested in mediation."
