This event will be spread over 3 days – starting from 13th to 15th May, 2021 during which 9 virtual sessions will be held with active participation from all stakeholders – Industry, Academia and R & D experts.

Program Details

Date : 13th to 15th May, 2021 (Three days)
Time : 10.00 a.m. to 4.00 p.m.
Platform : Online (Zoom)

INDCON 2020-21 is a series of Conclaves being organized by the IMC Chamber of Commerce and Industry in association with MIT-World Peace University (MIT-WPU) involving interlocutors from industry, academia, educationists, scholars and other experts representing different regions and cities of India who will deliberate on developing industry-academia collaborative research ecosystem in India. At the end of this pan-India exercise, a White Paper will be prepared based on inputs from various regions and will be submitted to the government for consideration.

INDCON 2020-21 aims to connect Senior Leaders from Industry and Academia. The enhancement of research and innovation through joint research projects, delivery of innovative commercial products, improvements in teaching, learning and enrichment of students' knowledge and their employability, as well as providing new streams of funding to tertiary institutions are the key objectives of this program. A robust collaboration between academia and industry will benefit our economy enabling innovation, growth in the education system and producing an employment-ready workforce and thus immensely contribute to achieving target of \$5 trillion economy.

This program is an effort to initiate a dialogue to understand how Industry foresees the upcoming shape of key trends.
