

Workshop
on
Packaged Commodities Act under Legal Metrology Act
Friday, 24th May, 2019, Time 2.30 pm – 5.30 pm
Pravinchandra Gandhi Board Room, 4th Floor, IMC

Dear Sir/ Madam,

Metrology refers to the science of measurements. Legal Metrology Act 2009 was enacted with the objective to establish, enforce and regulate standards of weights and measures in trade and commerce. It repealed the earlier Acts of 1976 and 1985 on the Standards of Weight & Measurement.

The term Legal Metrology signifies the treatment and methods in compliance of mandated techniques and legal requirements which have objective of ensuring public guarantee in view of security and accuracy. Coupled with it is the Packaged Commodity Rules 2011 which were enacted underlying the rules to mandatory declarations on packaged commodities, registrations of manufacturers, packers, importers and provisions relating to wholesale and retail dealers, and the power of government to inspect and levy penalties. The Legal Metrology Act is least discussed though it requires a lot of compliance by a person in business of retail sale of packaged products.

IMC Chamber of Commerce and Industry has organized a **“Workshop on Packaged Commodities Act under Legal Metrology Act”**

The objective of the workshop is to:

- Understand the requirements under Packaged Commodities Act for packaged products
- Understand the Regulatory process related to the Packaged Commodities Act, and also the offences and penalties.

Speaker: The workshop will be conducted by **Mr Mahesh R Sureka**, the finance professional with over 25 years of experience as a management Consultant and working as resolution professional and liquidator of Companies having fixed assets of more than 200 Crores.

Participants will be awarded Certificate of Participation at the end of the program.
