

**Panel Discussion on
Inflation Outlook**

Dear Sir/Madam,

IMC Economic Research and Training Foundation (IMC-ERTF) in association with IMC Economic Policy Committee is organizing a panel discussion on:

Theme: Inflation Outlook

Time & Date: 4.00 pm on Monday, May 28, 2018

Venue: Babubhai Chinai Committee Room, IMC Building, 2nd floor, Mumbai 400020

The global oil market is on the boil following a flare up in geopolitical tensions. Despite forecast of a normal southwest monsoon, prospects for the upcoming Kharif 2018 crops are not without uncertainty. The Rupee has rapidly depreciated in recent weeks.

Rising crude oil prices, uncertain crop prospects and a weak Rupee provide a potent combination for inflation to rear its head. In other words, the three 'C's – crude, crops and currency - need close watch.

A panel of experts will seek to crystal gaze into the future to see how the three drivers of inflation are likely to perform. The outlook will also become a key input for the next credit policy. The panelists are acknowledged experts with hands-on experience in tracking and analyzing markets. Recommendations emanating from the discussion will be forwarded to the concerned authorities.

We invite you to attend the Panel Discussion and participate actively. Registration is necessary for admission. To register, send us a mail with the following details:

Name:

Organization:

Designation:

Email ID & Phone Number:

Please confirm your participation to Ms. Anita Naik at email: anita.naik@imcnet.org or Phone: 71226686/71226685. Thank you.

Arvind Pradhan
