We have organized a **Panel Discussion** on **Digital Transformation - The Road Ahead™** which would be moderated by **Dr. Ganesh Natarajan** during the event. The IMC firmly believes that both Digital Transformers and the transformed End Users deserve encouragement and recognition. This is the 3rd year of these Awards and your presence will lend stature to the same. It will also encourage all the winners.

Like every year, this year also IMC is going to confer the prestigious **Digital Super Achiever Award** instead of the Life time achievement award, to a stalwart of the Digital industry, whose name is synonymous with Digitisation in India **Mr. C P Gurnani, MD & CEO, Tech Mahindra** for his life long contribution towards the growth and expansion of IT industry.
